

WOW! ONE PICTURE IS WORTH A THOUSAND WORDS. YOU LEARN WHAT YOU BUMP INTO. LEARNING WALLS WHAT DID YOU LEARN THAT YOU DID NOT 'BUMP' INTO ONE WAY OR ANOTHER????????????????

When children are raised in an environment which exposes them to art, music and creative challenges as well as being read to several times a week, it is just as possible that many public schools may not be prepared to meet their needs. This same comment might apply to students who enter school ill prepared for this initial step onto this assembly line of mass 'education'.
